DATA SHEET

Radio Interconnect Tool

TL-01

- Used to assist installation and removal of the MTI Radio on QPA65R-E5C
- RoHS Compliant

Overview

Mechanical interface to allow the radio to be remotely mounted from the QPA65R-E5C antenna

Antennas

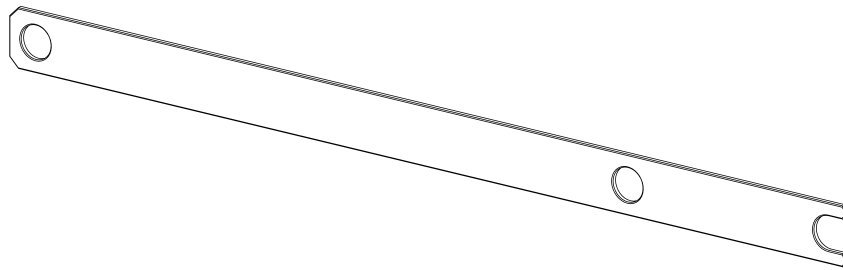

SPECIFICATIONS

Radio Interconnect Tool

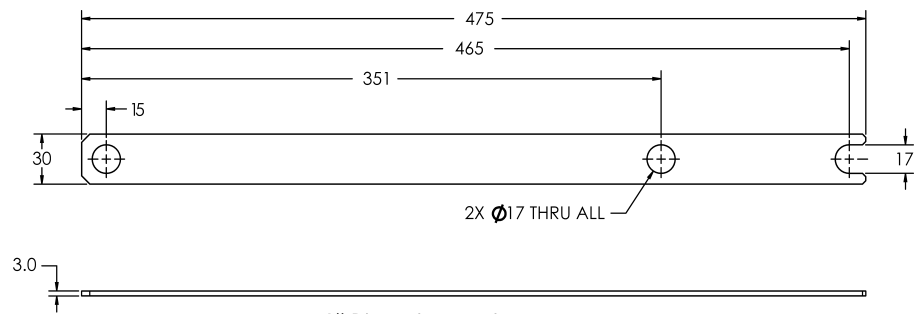

TL-01

Mechanical

Model Number	TL-01
For Antenna Models	QPA65R-E5C
Dimensions (LxWxD)	18.7x1.2x0.1 in (475x30x3.0 mm)
Overall Weight	0.9 lbs. (0.4 kg) not including radio

TL-01 Parts

TL-01 Measurements

All Dimensions are in mm.
